Dear Calvary Baptist Church,

“Suffer little children to come unto me and forbid them not; for of such is the kingdom of God.”
Luke 18:16

As many of you already know, our newest ministry is a children’s ministry called VIDA Kids. The purpose of this ministry is to produce stronger children’s ministries within the local church in Spanish speaking countries. Our team helps better equip workers with the necessary tools to have a thriving children’s ministry. They have held training seminars all over Mexico. In these seminars, they teach how to organize a Sunday school program, to prepare a lesson, child evangelism, and organizing neighborhood Bible clubs.

Recently, we have been given the opportunity to enter other Spanish speaking countries. We are currently planning trips to Colombia and Cuba. We will not be headed to Colombia until some time next year, but we are planning our trip to Cuba for the first week of October. Once again, we are paying to bring Cuban church leaders from all over Cuba to one central location to hold a training seminar. This approach was very successful on our last trip to Cuba. We are able to spend more time teaching and encouraging these leaders when we are all gathered in one spot. This year’s training seminar will be focused on children’s ministry.

After speaking with the pastor of the church where we will be holding the seminar, the estimated cost to transport, feed and house one hundred church leaders for three days is \$2,300.00. Therefore, if you break it down, that is \$23.00 a person. If you would like to help sponsor one of these leaders, please send contributions to Macedonia World Baptist Missions (Memo: Travel Fund) P.O. Box 519 Braselton, Ga 30517. If you have any questions, please feel free to contact me at rubenjr@mexcubministries.com.

Thank you for partnering with us to enlarge the kingdom of heaven. Only eternity will reveal the impact your giving has made. We covet your prayers as we seek to spread the Gospel.
