September 1, 2017

To all our Supporters, Prayer Partners, Family and Friends;

*WOW! How time flies when you're having fun. This has been an extremely busy time for us. **FIRST**, let me thank those of you that support us financially, we could not do it without you. **THANK YOU**, we pray God's richest blessings.*

*In the past four months our community of Current has experienced four deaths, three houses lost to fire and two babies born to teen age single girls. Please **PRAY** with us as we council the community and comfort those left behind. Plus we are still dealing with the folks on North Andros from the devastation of Hurricane Matthew. They will be a long time rebuilding.*

On a positive note things are progressing well for the lessons for the Bible Institute. Pastor Larry Wilson continues to labor hard on the academics and scheduling teachers. Our next classes will be on Long Island and Great Exuma in October.

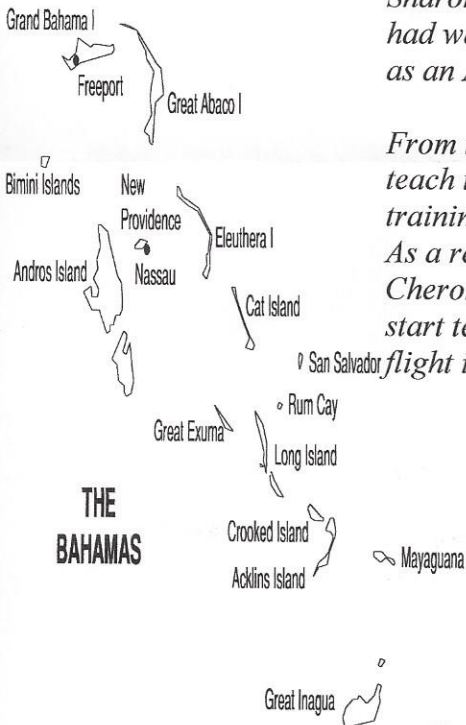

*On the personal side, the airplane continues to run great. I (Dave) had all my upper teeth pulled and am now dealing with healing and denture adjustments. Sharon continues to have back problems even though we felt the surgery she had was a success. **ALSO**, our grandson, Triston, graduated third in his class as an AMT (aircraft maintenance technician) from USAeroTech.*

*From time to time I have been approached by young people that want me to teach them to fly. I have had to turn them down because I did not have a training type of airplane. **WELL, PRAISE GOD** from whom all blessings flow. As a result of helping another ministry with a problem, we have had a Piper Cherokee 140 donated to us. It is a perfect training platform so I will be able to start teaching again. It will require being reinstated by the FAA as a certified flight instructor again.*

We pray for each one of you. Please let us know if you would like us to come and speak in your church. Our time is a little more flexible now.

Co-laborers in Jesus Christ,

Dave and Sharon Spangler
